2 PROPOSED SUPPLEMENTAL APPROPRIATION—COMMERCE

EXECUTIVE OFFICE OF THE PRESIDENT,
BUREAU OF THE BUDGET,
Washington 25, D. C., May 27, 1952.

The President,
The White House.

SIR: I have the honor to submit herewith for your consideration a supplemental appropriation for fiscal year 1953, in the amount of \$125,000, for the Department of Commerce, in the form of an amendment to the budget for said fiscal year, as follows:

DEPARTMENT OF COMMERCE

MARITIME ACTIVITIES

Budget page	Heading	Original estimate	Change to—	Increase
563	Maritime training Limitation on transfer to Public Health Service..	\$3,800,000 (69,600)	\$3,925,000 (72,500)	\$125,000 -----

This proposed supplemental appropriation is necessary to provide for the increased costs of pay and allowances for uniformed personnel of the Maritime Service during fiscal year 1953, authorized in Public Law 346, approved May 19, 1952. Since this law also applies to the uniformed personnel of the Public Health Service, the amount transferred to that agency to cover the cost of health services rendered the Maritime Administration must be increased.

I recommend that the foregoing proposed supplemental appropriation be transmitted to the Congress.

Respectfully yours,

F. J. LAWTON,
Director of the Bureau of the Budget.
